

City of Broken Arrow

Request for Action

File #: 24-892, Version: 1

**Broken Arrow City Council
Meeting of: 07-15-2024**

Title:

Approval of and authorization to engage with Conquest Cyber as our MDR (Managed Detection and Response) provider through United Data Technologies pursuant to the Oklahoma Statewide Purchasing Contract

Background:

This will be a 1-year engagement(8//1/2024-7/31/2025) of the UDT MXDR solution. This solution will provide the city the enhanced security posture needed as we continue to harden our environment.

United Data Technologies is an approved vendor on the Oklahoma state contract and authorized for services under City ordinance per Section 2-27 of the Broken Arrow Code allowing exceptions to the established competitive bidding process.

Cost: \$139,372.80

Funding Source: 1101200-540550

Requested By: Scott Carr, Information Technology Director

Approved By: City Manager's Office

Attachments: Attached quotes

Recommendation:

Approve and authorize to engage with Conquest Cyber as our MDR (Managed Detection and Response) provider through United Data Technologies pursuant to the Oklahoma Statewide Purchasing Contract
