**Title: Consideration, discussion, and possible preview of an ordinance amending Chapter 22, Taxation, Article V, Use Taxes, Division 1, Nine-One-One Emergency, Section 22-78, Emergency Telephone service fee, of the Broken Arrow Code; repealing all ordinances to the contrary; and declaring an emergency**

**Background:**

As of January 1, 2017, HB 3126, the 911 reform bill became law increasing the wireless fee from fifty-cents (\$0.50) to seventy-five (\$0.75). The following fees will be imposed upon customers whose business or residences are located within the City at the following rates in accordance with State law:

- (1) Seventy-five cents (\$0.75) monthly on each wireless telephone connection and other communication device or service connection with the ability to dial 9-1-1 for emergency calls; and
- (2) Seventy-five cents (\$0.75) monthly on each service that is enabled by Voice Over Internet Protocol (VOIP) or Internet Protocol (IP) with the ability to dial 9-1-1 for emergency calls; and
- (3) Seventy-five cents (\$0.75) on each prepaid wireless retail transaction occurring in this state.

Staff recommends that the Council preview the ordinance and set it for adoption at the next meeting.
