Lot split request BAL 1098 involves the City of Broken Arrow Tiger Hill property located on the southwest corner of Kenosha Street and 9th Street. The 30.41-acre parcel is part of PUD 205B that was approved by the City Council on June 20, 2011. The underlying zoning on the property is CG (Commercial General) and IL (Industrial Light). The property has been platted as Tiger Hill Plaza.

The City of Broken Arrow is in the process of selling part of Lot 2, Block 1 and a small portion of Lot 1, Block 1 to a prospective developer. A new retaining wall will be constructed with the face of the wall located approximately five feet south of the southern lot line of Tract 2B. Tract 1A, which is in Lot 1, Block 1 is part of Development Area A of PUD 205B. Development Area A is limited to light industrial uses. Tract 1A will be combined with Tract 2B and conveyed to a potential buyer. PUD 205B-1, a request for a minor amendment to PUD 205B to move Tract 1A into Development Area B for commercial development, has been submitted in conjunction with BAL 1098.

Tract 2A, which is the remainder of Lot 2, will remain under the ownership of the City of Broken Arrow along with Tract 1B. Tract 1B is leased by the City of Broken Arrow to Flight Safety.

Staff has just requested sign offs from Oklahoma Natural Gas (ONG), Public Service Company of Oklahoma (PSO), Cox Communications, and Windstream. No issues are anticipated with the utility companies.
