### Background:

On November 15, 2014, the City of Broken Arrow, The Broken Arrow Economic Development Authority, and Stoney Creek Hospitality Corporation, entered into a comprehensive Economic Development Agreement and Ground Lease for the development of a conference/convention center and accompanying hotel. Both the Agreement and the Lease allowed the Developer to assign its interests to an affiliated party without formal approval by the City Council or the Authority. On May 13, 2016, the City received notification of Stoney Creek Hospitality Corporation's Assignment and Assumption to Stoney Creek Investors of Broken Arrow, L.L.C. ("Stoney Creek").

In addition to the land purchase price, which came from approved General Obligation Bond proceeds, the City of Broken Arrow, through Vision Surplus Funds, contributed the sum of \$6,335,573.33 to this project for the

purposes of grading, infrastructure, engineering design, architectural design and construction of utilities, among other things. In order to complete the hotel and conference center, it was always contemplated that the Developer would need to obtain financing secured by a mortgage of the real property and the improvements. In order to finalize the process, Stoney Creek has requested approval of the attached Ground Lessor Estoppel Certificate. The Legal Department has reviewed the Certificate and found it acceptable.
