Public hearing, consideration, and possible action regarding PUD 229B, a request for a minor amendment to PUD 229, The Icon at Broken Arrow Apartments, 13.35 acres, PUD 229/RM, southeast corner of Florence Street and Elm Place

Background:

Applicant: Larry Kester, Architects Collective
Owner: ICON Broken Arrow, LLC
Developer: ICON Broken Arrow, LLC
Architect: Architects Collective
Location: Southeast corner of Florence Street and Elm Place
Size of Tract 13.35 acres
Number of Lots: 1

Comp Plan: Level 3

Planned Unit Development (PUD) 229B involves 13.35 acres located on the southeast corner of Florence Street and Elm Place. On October 7, 2014, the City Council conditionally approved PUD 229 and BAZ 1920, a request to change the underlying zoning from A-1 to RM. Both PUD 229 and BAZ 1920 were approved subject to the property being platted. On April 15, 2015, the plat, The Icon at Broken Arrow, was recorded in

Tulsa County. Ordinance 3392 that changed the zoning on the property from A-1 to PUD 229/RM was approved by the City Council on February 2, 2016.

A minor amendment to PUD 229, 229A, was approved by the Planning Commission on April 14, 2016. This request was to modify the signage requirements of PUD 229.

PUD 229B, a request for a minor amendment to PUD 229, would allow parking to be located within the southern landscape buffer. This new parking area would contain 19 parking spaces and two landscape islands. The area will be screened from the land to the south by an existing wood screening fence. Bumper stops shall be used to maintain a three-foot distance from the property line/fence.
