Broken Arrow City Council

Meeting of: 6-5-2017

To: Mayor and City Council
From: General Services Department
Title:

Withdrawal of the approval and authorization to purchase one (1) one-ton truck from Bob Howard Dodge due to a pricing error on the statewide vehicle contract and approve and authorize the purchase of one (1) one-ton truck from Vance Country Ford, pursuant to the Oklahoma statewide vehicle contract, for the Streets Department

Background:

The Streets Division of the Streets and Storm Water Department has budgeted for the purchase of one (1) one-ton crew cab pickup. This truck was authorized and approved for purchase at the January 17, 2017 Council meeting.

On May 3, the selling dealer contacted the Purchasing Manager with the news that the pricing of the 4-wheel drive option we selected on this vehicle was in error. Price was listed as \$1,427 and should have been \$5,680, a \$4,253 error. The error was not corrected when the pricing schedule was published in the state wide contract pricing list. Additionally, he could not make any concessions to keep within the pricing as issued with our Purchase Order and would have to reject the Purchase Order issued to them.

The Purchasing Manager has adjusted the price tabulation with the pricing error from Bob Howard Dodge corrected. With the option price corrected, this truck is now not the lowest price of those available in the state contract for this type of truck. The lowest price truck is a Ford F-350 from Vance Country Ford.

The bid tabulation includes the lowest bidding vendors for the all the brands of one-ton trucks under this

contract. Pricing under this contract is good until November 14, 2017.

Staff recommends that the Council withdrawl the approval and authorization to purchase the truck from Bob Howard Dodge due to a pricing error and and approve and authorize the purchase of the truck from Vance Country Ford, pursuant to the Oklahoma statewide vehicle contract, for the Street Department.

Cost: \$38,662.00
