To: Mayor and City Council
From: Office of the City Manager
Title:
Presentation, consideration, discussion and possible action on the Manual of Fees and proposed revisions

Background:

Since July 2014, the Staff has developed and presented to the City Council for approval a Manual of Fees. The Manual establishes the fees that may be charged to businesses, residents and other users for certain services, licenses, permits and facilities that are required or provided by the City. The subjects covered in the Manual include:

1. Development Fees
2. Cemetery Fees
3. Contractor Registrations
4. License/Registration Fees
5. Utility Charges
6. Parks and Recreation Fees
7. Fire Department Fees
8. Copy and Search Fees

The fees are updated annually and are proposed based upon a variety of factors that include the cost of providing the service, the consumer price index for the specific service referenced and/or the fee or charge assessed within a market.

The attached Manual is in the format of a red-line strikeout version that compares the existing fees and the proposed fees. Any Department Directors who has a fee identified in the Manual will attend the work session

and make a brief presentation on the proposed changes. Final approval of the Manual of Fees will be submitted to the City Council by proposed Resolution at the regularly scheduled meeting of August 15, 2017

Cost: \$0
