Title:

Acceptance of a Utility Easement from Tahoe Properties, LLC, on property located one-half mile south of Omaha Street, one-quarter mile east of Aspen Avenue, Tulsa County, State of Oklahoma, (Section 34, T19N, R14E)

Background:

Tahoe Properties, LLC has submitted PUD-94S-1 and BAZ-1983, to change the zoning on their 4.55-acre parcel located one-half mile south of Omaha Street, one-quarter mile east of Aspen Avenue from CG/PUD-94 to CH/PUD-94S-1. PUD-94S-1 and BAZ-1983 were approved by the City Council on August 15, 2017, subject to the property being platted.

In addition, the Planning Commission on July 27, 2017, also approved PT17-109, a preliminary plat for Ronda Norton Center II. The preliminary plat was approved subject to an attached checklist. One item on the checklist was to provide document numbers for an off-site utility easement for an off-site sanitary sewer line.

James C. Norton, manager of Tahoe Properties, LLC has submitted an application requesting the acceptance of a fifteen-foot wide utility easement along the west side of the property, south of Granger Street as shown in Exhibit A.

Staff has reviewed the documents and recommends acceptance of the utility easement.
