**Title:**

**Approval of BAZ-1989 (rezoning), Rose Rock Village, 7.42 acres, A-RM to RM, one-quarter mile east of the northeast corner of Albany Street and 23rd Street**

### Background:

BAZ-1989 is a request to change the zoning designation on a 7.42 - acre tract of undeveloped land located one-quarter mile east of the northeast corner of Albany Street and 23rd Street from A-RM (Annexed Multifamily Residential) to RM (Multifamily Residential). Applicant is interested in developing a senior living apartment complex on the property. The conceptual site plan submitted with BAZ-1989 shows a three story 60 unit complex containing 18 one bedroom units and 42 two bedroom units. While the applicant is interested in developing senior housing on the property, with the proposed RM zoning, any use that is allowed in the RM district would be permitted as long as it is developed in accordance with the RM development regulations.

In 2005, the City Council approved BAZ 1678 to change the zoning on all of Lot 2 from AR-5 to R-5. BAZ 1678 was approved subject to the property being replatted. The property has not been replatted.

This item was recommended for approval (4-0 vote) by the Planning Commission in their meeting of November 16, 2017, per Staff recommendation. Staff recommended approval subject to the property being replatted.
