Broken Arrow Municipal Authority Meeting of: 3-20-2018

To: Chairman and Authority Members
From: Utilities Department
Title: Acknowledgement of submittal of the Broken Arrow Municipal Authority's Water Supply Report for the month of February 2018

Background:

In an effort to provide the Authority and the Public more information with respect to our community's water usage, the Utilities Department Staff has prepared a Total Water Supply Report that records total daily water usage, as well as monthly water volume delivered to the community.

Over the course of the second month of the year, the Maximum Water Plant Production Day was 9.8 million gallons per day (MGD) recorded on February 16, 2018. The Average Day usage through the end of February is 8.5 MGD. Total water treated at the plant up to the end of February is 238.2 million gallons (MG). Total water purchased from Tulsa for the month of February is 1.0 MG.

This report will be updated on a monthly basis. Staff recommends the Authority acknowledge submittal of the Report.

Cost: No cost
