**Approval of and authorization to execute an Inter-local Agreement with Union School District for the provision of a School Resource Officer**

### Background:

Union Public Schools has school facilities within the City of Broken Arrow and has requested the services of a School Resource Officer (SRO) from the City. The City believes that it is in the best interests of the public safety of the citizens that Union be provided one full-time SRO. To coincide with other municipalities and schools within their respective districts, the City of Broken Arrow and Union Public Schools have determined this partnership is beneficial to both and the costs should be shared by both entities. An inter-local agreement was drafted to memorialize this shared cost partnership for One (1) School Resource Officer.

Funds have been appropriated and are available in the Police Public Safety Sales Tax fund.
