Meeting of: 01/02/2019**

Title:

Consideration, discussion, and possible approval of and authorization to execute a Second Extension to agreement for the Purchase and Sale of Real Estate by and among the Broken Arrow Economic Development Authority and SoundMind Behavioral Health Hospital, LLC

Background:

On January 2, 2018, The Broken Arrow Economic Development Authority authorized an Economic Development Agreement with SoundMind Behavioral Health Hospital, LLC, for the sale of approximately 14.1569 acres of BAEDA owned land located north of the Creek Turnpike and West of Aspen Avenue, for the sum of \$1,200,000.00. The Economic Development Agreement stipulates SoundMind shall diligently undertake the preparation of a Master Site Plan and Planned Unit Development for submission to the City and the Authority for approval. SoundMind successfully completed the PUD process in July 2018.

Article IV, item 6.5 of the Economic Development Agreement states the closing shall take place within sixty (60) days of the Broken Arrow City Council's approval of the PUD, but in any event not less than six (6) months after the effective Date, unless extended in writing by Authority and SoundMind. The closing on the property was scheduled for October 2, 2018; however, an issue with SoundMind's lending institution required the closing be delayed due to their request for additional information from SoundMind. The First Extension extended closing on the property to take place by or before December 31, 2018.

On December 19, 2018, Masood Kasim with SoundMind Behavioral Hospital requested a 60 day extension to the agreement. The ownership of SoundMind have been negotiating with CenterPoint Behavioral Health Center to serve as the operator of the specialty hospital. The Broken Arrow Economic Development Manager has been in contact with Buddy Turner, Chief Executive Officer for CenterPoint concerning the partnership between SoundMind and CenterPoint. Mr. Turner is scheduled to present an overview of CenterPoint during

the January 15, 2019 BAEDA meeting.
