BAZ-2021 is a request to change the zoning designation on a 5-acre parcel from A-1 (Agricultural) to RS-2 (Single-Family Residential). The property is located one-quarter mile south of Kenosha Street (71<sup>st</sup> Street), west of 51<sup>st</sup> Street (Evans Road). This property was annexed into the city limits of Broken Arrow from Wagoner County on June 2, 1980 by Ordinance No. 833.

A single-family residential structure along with accessory buildings are presently located on the property. It is applicant's desire to rezone the property in order to have the ability to split the property in the future.

According to FEMA maps, no part of the property is located within a 100-year floodplain.

Surrounding land uses and zoning classifications include the following:

|        |     |                    |
|--------|-----|--------------------|
| North: | A-1 | Undeveloped        |
| East:  | A-1 | Single family home |
| South: | A-1 | Single family home |
| West:  | A-1 | Undeveloped        |

The Future Development Guide of the Comprehensive Plan shows the site to be designated as a Level 2. The RS-2 zoning being requested is considered to be in accordance with the Comprehensive Plan.
