Broken Arrow City Council Meeting of: 04-02-2019

Title:

Approval of and authorization to purchase one (1) 1-ton crew cab & chassis truck from Bill Knight Ford, pursuant to the Oklahoma Statewide Vehicle Contract, for the Streets and Stormwater Department

Background:

The Streets and Stormwater Department has budgeted for the purchase of one (1) 1-ton crew cab & chassis truck from Bill Knight Ford. Funds for this purchase are available in the Sales Tax Capital Improvement (STCI) Fund in the amount of \$60,000. (Project No.195312, Account No. 030-5300-431.70-02)

The 1-ton crew cab & chassis truck will be purchased under the Oklahoma statewide Contract number 1000009326. All State Departments, boards, Commissions, Agencies and Institutions, as well as Counties, School Districts and Municipalities may purchase items from this contract. Pricing under this contract is good until November 14, 2019.

Section 2-27 of the Broken Arrow Code addresses exceptions to the established competitive bidding process. It provides that supplies, materials, equipment or contractual services when purchased at a price not exceeding a price set by the state purchasing agency or any other state agency authorized to regulate pricing for items purchased by the state are excepted from formal competitive bidding. Purchase from the state contract is, therefore, authorized under City ordinance.

Base pricing of the 1-ton crew cab & chassis truck is reflected in the attached bid tabulation sheet. The bid tabulations also includes all vendors submitting bids for this machinery under the State Contract. The Streets and Stormwater Department has identified the 2019/20 Ford 1-ton crew cab & chassis truck from Bill Knight Ford as the lowest responsible bid and, therefore, recommends its purchase from the State of Oklahoma Contract.

Cost: \$41,450.00

Funding Source: Sales Tax Capital Improvement Fund

Requested By: Rocky Henkel, Director of Streets and Stormwater

Approved By: Michael L. Spurgeon, City Manager
