Broken Arrow City Council Meeting of: 06-03-2019

Title:

Consideration, discussion, and possible approval of and authorization to execute Resolution No. 1236, a Resolution of Necessity to Condemn Property generally located at 11000 S 193rd East Avenue, Broken Arrow, in the Southeast Quarter of Section 25, T-18-N, R-14-E of the Indian Meridian, Tulsa County, Oklahoma, for the County Line Trunk Sewer Replacement, (Project No. S.1609)

Background:

An informational letter sent to the Snead Family 2010, LLC, the listed property owner on 07/31/18, detailing the improvements, introducing the right of way agent along with a donation certificate, owner contact form along with property exhibit. From 08/31/18 through 11/30/18, Karen Pax attempted to contact Steven Snead, the representative for Snead Family 2010, LLC, by email and phone to no avail. On 12/3/18, Karen Pax received an email from Steven Snead advising me that he has received my correspondence and referred me to his attorney, R. Lou Reynolds. From 12/3/18 to 5/4/2019, Karen Pax and Tammy Ewing have interacted by phone and email with R. Lou Reynolds, providing information and documents as requested, with no progress made on a negotiated settlement. An offer letter was sent to the property owner on 10/26/2018 for a Utility Easement and Temporary Construction Easement in the amount of \$44,060.00 based on Market Analysis. On 2/12/2019 an appraisal was received that valued the easements at \$35,249.00. The attached Resolution of Necessity No. 1236 authorizes that condemnation proceed on Parcel 20.0, for a Utility Easement and Parcel 20.1 for a Temporary Construction Easement.

Cost: \$35,249.00 plus costs

Funding Source: OWRB Loan.

Requested By: Alex Mills, P.E., CFM, Engineering and Construction Director
