Broken Arrow Municipal Authority Meeting of: 06-20-2022

Title:

Approval of and authorization to execute an Agreement for the Provision of Services between the Broken Arrow Municipal Authority and the Metropolitan Environmental Trust for operation of the Broken Arrow Recycle Center and for services related to Household Hazardous Waste Collection

Background:

The attached agreement for the provision of services between the Broken Arrow Municipal Authority (BAMA) and the Metropolitan Environmental Trust (The M.e.t.) provides for the operation of the Broken Arrow Recycle Center and services related to Household Hazardous Waste (HHW) collection at Tulsa's regional collection facility. This agreement would begin July 1, 2022 and end on June 30, 2023.

The M.e.t. estimates that in FY-2021, approximately 1,062,054 lbs. of solid recyclables and 10,048 gallons of liquid were collected at the facility.

In addition to the collection of recyclables the agreement provides the city 210 vouchers that would be available to Broken Arrow residents to use at the Tulsa regional collection facility. This facility collects pollutants and hazardous items from residents.

On June 9, 2022, The M.e.t. Board of Trustees approved the fiscal year 2023 agreement which includes an overall increase of \$9,400. This decrease includes a net assessment decrease of 1.08% and additional HHW vouchers for a total of 210 from 208 vouchers to be made available for Broken Arrow citizen's use at the Tulsa's regional collection facility for the fiscal year. Any unused HHW vouchers will be rolled over to the next agreement year.

Cost: \$134,346

Funding Source: **Solid Waste and Recycling Department - Operating**

Requested By: Jerry L. Schuber Sr., Director

Approved By: **City Manager's Office**

Attachments: Agreement for the provision of services

Recommendation:

Approve the agreement for the Provision of Services between BAMA and the M.e.t. and authorize its execution
