Approval of and authorization to execute a Clinical Affiliation Agreement between SouthWest EMS Academy and the City of Broken Arrow

Background:

Broken Arrow Fire Department has multiple clinical rotation agreements with several area EMS education programs.

SouthWest EMS Academy began their student clinical partnership with the City of Broken Arrow in 2021. The agreement provides the opportunity for students to ride along on ambulances with Fire Department personnel to gain supervised patient care experiences.

This agreement is beneficial to the Broken Arrow Fire Department as well as the College by providing the opportunity for recruitment of outstanding SouthWest EMS Academy EMT and Paramedic students for the department while the student gains field experience.
