Title:
Consideration, discussion, and possible approval of and authorization to execute Resolution No. 937, a Resolution confirming the supplementation and publication of the City of Broken Arrow's Code of Ordinances

Background:

The City of Broken Arrow receives supplements to its Code of Ordinances based upon ordinances adopted by the City Council and published in accordance with state law. These supplements are provided by Municipal Code Corporation on a quarterly basis and made a part of the permanent Code. Upon receipt, the City provides the supplements to the Tulsa and Wagoner County law libraries. The supplements are also incorporated into the full Code which is made available at no charge to the public on the City's website or at a reasonable cost in the Office of the City Clerk.

The City received its first supplement to the Code in August 2015. In September 2015, the City received a corrected set of ordinances which included ordinances that were previously omitted by Municipal Code Corporation. In November, 2015, the City received a second supplement to the Code. In February, 2016, the City received a third supplement to the Code and the fourth supplement was received in May, 2016. The fifth supplement was received in July, 2016. Resolution No. 937 confirms the fifth supplementation and publication of the City of Broken Arrow's Code of Ordinances.

These supplements of Ordinances have been delivered to the Tulsa and Wagoner County law libraries and have been incorporated into the full Code. Copies are available on the City's website and at the Office of the City Clerk.
