**Broken Arrow City Council**  
**Meeting of: 12-06-2016**

**To:** Mayor and City Council  
**From:** Streets and Stormwater Department  
**Title:** Presentation of street system survey results by IMS Infrastructure Management Services, LLC

**Background:**

On October 6, 2015, the Authority approved a professional services agreement with IMS Infrastructure and Management Services, LLC to serve as a consultant to survey the City of Broken Arrow's maintained street system. The gathered data is used to provide the City with and sign and sign support database, pavement condition data, a detailed pavement analysis, a comprehensive 5-year street improvement plan and digital images, as well as pavement management software, and setup and training.

The survey was conducted January 23 through February 15, 2016.

Zac Thomason from IMS will provide an overview of the survey results and answer questions about the survey.
