The preliminary plat for Spring Hill at Forest Ridge contains 31.82 acres, located south of Kenosha Street, one half mile west of Oak Grove Road. Between this proposed subdivision, Spring Hill at Forest Ridge, and the subdivision to the west, Wellstone II, there will be a 2.82-acre park for the common use of these neighborhoods. This park, which will be maintained by the Forest Ridge Homeowner's Association, will not be platted.

Water and sanitary sewer service to this property is available from the City of Broken Arrow. According to the FEMA maps, none of the property is located in a 100-year floodplain area. The south and west boundaries of the property abuts the Forest Ridge Golf Course.
