**Broken Arrow City Council
Meeting of: 5-2-2017**

To: Mayor and City Council
From: Office of the City Manager
Title:

Award the most advantageous bid to 911 Custom for the purchase of police vehicle equipment

Background:

Nine new police vehicles were approved for purchase during the April 4th 2017 Council meeting. A variety of police equipment is needed to outfit these new vehicles. Bids were requested and sought to purchase this equipment through the Logistics Division. Bids were solicited from several vendors. Two vendors submitted bids.

The lowest bid for equipment which met specifications is from 911 Custom and is recommended for purchase. Fleet will be able to accommodate the equipment installation without substantially affecting overall service.

Funds have been appropriated and are available in the Public Safety Sales Tax Fund for the purchase of the equipment.

Staff recommends that the most advantageous bid be awarded to 911 Custom.
