Background:

37th Street: Omaha to Albany and Wagoner County Rural Water District No. 4 (RWD4) 209th Waterline is a 2014 General Obligation Bond project. 37th Street between Omaha and Albany is new construction. The project was advertised with N. 37th Street new road as the base bid and RWD4 209th Waterline relocation as Additive Alternate No. 1 (16" Waterline Upgrade) and Additive Alternate No. 2 (10" Waterline Like-in-Kind). RWD4 has agreed to pay the difference between Additive Alternate No. 1 and Additive Alternate No. 2.

The project was advertised for bids on March 8 and 15, 2017. Bids were opened on April 13th, 2017 and ten (10) bids were received. The Certified Bid Tabulation is attached. The lowest responsible bidder was Paragon Contractors, L.L.C., with a base bid of \$2,851,158.00; Additive Alternate No. 1 of \$564,465.00; Additive Alternate No. 2 of \$361,163.00. The engineer's estimate was \$4,265,057.70 for the base bid; \$545,787.00 for Additive Alternate No. 1 and \$278,357.00 for Additive Alternate No. 2. RWD4 will reimburse the difference between Additive Alternate No. 1 and Additive Alternate No. 2 (\$203,302.00) making the net contract cost to the City \$3,212,321.00. Of this amount \$2,851,158.00 is for the new road and \$361,163.00 is for waterline relocation and upgrade.

Staff recommends awarding the contract in the amount of \$3,415,623.00 (\$3,212,321.00 after RWD4 reimbursement) to Paragon Contractors, L.L.C.

Funding for the improvements will be from the 2014 Streets GO Bond.
