

City of Broken Arrow

Request for Action

File #: 17-2151, Version: 1

**Broken Arrow City Council
Meeting of: 1-05-2016**

To: Mayor and City Council
From: Human Resources Department
**Title: Consideration and Possible Approval of the Purchase of Two (2)
Microwave Communication Systems from Dice Communications**

Background:

The purpose of the Microwave Communication System is to provide primary network communications for fire station #1 and Fire Station #6. Included in the project will be engineering, design, integration, installation, testing, commissioning and delivery of two (2) completely operational microwave systems and associated applications. The contractor will be responsible for system performance, including a guarantee of microwave connectivity, installation of all equipment, and optimization of the microwave system.

Section 2-27 of the Broken Arrow Code allows the purchase of supplies, materials, equipment and contractual services from other units of government at a price deemed below that obtainable from private dealers without the need for formal competitive bidding. The proposed purchase from Western States Contracting Alliance (WSCA) Contract 02702 meets the criteria established by the Ordinance.

Funding for this purchase is budgeted and available through Sales Tax Capital Improvements (STCI).

Cost: \$125,587.00
