

# City of Broken Arrow

## Request for Action

---

**File #: 19-83, Version: 1**

---

**Broken Arrow City Council  
Meeting of: 1-15-2019**

**Title:**

Award the lowest responsible bid to Midstate Traffic Control, Inc. and approve and authorize execution of a construction contract for the Hillside Drive and 23rd Street Traffic Signal (TS1901)

**Background:**

The intersection of Hillside Drive and 23<sup>rd</sup> Street has had increasing traffic over the past few years as new businesses have opened. In 2019 there will be a new shopping center opening on the east side of 23<sup>rd</sup> Street which will even further increase the traffic at this intersection. Due to these traffic volumes growing, there has been some stacking of cars trying to turn left onto 23<sup>rd</sup> Street which will only worsen as more development occurs. This project will help to mitigate that issue and allow traffic to flow more smoothly in this area as more businesses are added. The project consists of constructing a new 4-way traffic signal at the intersection of Hillside Drive and 23<sup>rd</sup> Street.

The project was advertised for bid on November 12, 2018. Bids were opened on December 18, 2018 and two (2) bids were received. All bids were responsive. The Certified Bid Tabulation is attached. The bids submitted were composed of forty-three (43) pay items to form the Total Base Bid. The lowest responsible bidder was Midstate Traffic Control, Inc., with a Total Bid of \$309,773.63. The engineer's estimate was \$257,080.00.

**Cost:** \$309,773.63

**Funding Source:** Street Light Fund

**Requested By:** Alex Mills, P.E., Engineering and Construction Director

**Approved By:** Michael L. Spurgeon, City Manager

**Attachments:** Certified Bid Tabulation

**Recommendation:**

Award the lowest responsible bid to Midstate Traffic Control, Inc. and approve and authorize execution of a construction contract for the Hillside Drive and 23rd Street Traffic Signal (TS1901)
