Title:

Award the most advantageous bid to Summit Truck for the purchase of one (1) 25,500 gross vehicle weight rating (GVWR) Cab and Chassis with Service Body for Streets and Stormwater Department

Background:

The Purchasing Department solicited bids from sixteen (16) vendors and nine (9) bids were received. Only six (6) bids met specifications.

Base pricing of the 25,500 GVWR Cab and Chassis with Service Body is reflected in the attached bid tabulation sheet. The bid tabulation includes all vendors who submitted bids for this machinery.
