**Broken Arrow City Council
Meeting of: 03/19/2019**

Title:

Presentation of a Certificate of Recognition to Zeeco, Inc. for reaching the milestone of 40 years of business in Broken Arrow

Background:

Zeeco, Inc. is a global leader in the design, engineering and manufacture of next-generation combustion equipment and advanced environmental systems.

The company is headquartered in Broken Arrow and operates more than 20 locations. It has the largest product research and test facility on earth, four strategically located manufacturing facilities, more than 1,000 employees and agents, and thousands of installations on virtually every continent. Zeeco has made the decision to keep the headquarters in Broken Arrow due to the city's deliberate choice to create an environment where manufacturers can thrive.

Zeeco is celebrating their 40th year in business. A local celebration is scheduled at the Broken Arrow campus on March 29. As part of this event, Mayor Craig Thurmond will present a Certificate of Recognition to Zeeco, Inc. for reaching this commendable milestone.
