Broken Arrow City Council
Meeting of: 5/7/2019

Title:

Presentation of Local Technical Assistance Program (LTAP) Road Scholar Certificates to Streets and Stormwater employees Shawn Edwards, Nikolas Moler, John Terry, Jonathan Brown and Will Remington

Background:

Shannon Sheffert of the OSU College of Engineering, Architecture and Technology would like to present LTAP Road Scholar Completion Certificates to Shawn Edwards, Nikolas Moler and John Terry from the City's Stormwater Division and Jonathan Brown and Will Remington from the City's Streets Division during the May 7th 2019, City Council meeting.

The LTAP through OSU College of Engineering, Architecture & Technology offers a Road Scholars course the Local Technical Assistance Program. This program is an educational certification series offered to county, municipal, and tribal government elected officials and their employees. It presents courses related to the technical aspects of planning, maintaining, and constructing roads and bridges at the local and tribal government level. The series consists of eight courses that total 112 hours of instruction and laboratory experience.

Shawn Edwards, Nikolas Moler, John Terry, Jonathan Brown and Will Remington have all successfully completed this 112 hour program, and therefore, Shannon Sheffert would like to present them with their certificates at the May 7th 2019 City Council meeting and have their accomplishments recognized publicly.
