**Meeting of: 05/07/2019**

**Title:**

Presentation, discussion, and possible acceptance of the 2019 Broken Arrow Youth City Council's Big Idea: Gateway Beautification

**Background:**

As part of the Youth City Council (YCC) experience each school year, students are asked to research and select an idea to present to the City Council that would benefit the City of Broken Arrow. This year the YCC partnered with local organizations to develop their idea of beautifying BA. They spoke with the Streets & Stormwater Department, Keep Broken Arrow Beautiful (KBAB), and the Metropolitan Environmental Trust (M.e.t.). The main objective is to make a favorable and lasting first impression on visitors to our community.

The Youth City Council is asking for support from the City Council members and City administration to carry out this initiative by exploring potential funding options and community partnerships.

This year's presentation is being given by Youth City Council Mayor My Vu Le and Vice Mayor Kelsie Schwab.
