

City of Broken Arrow

Request for Action

File #: 19-648, Version: 1

**Broken Arrow City Council
Meeting of: 06-03-2019**

Title:

Consideration, discussion, and possible preview of an Ordinance closing a portion of Right-of-Way on property located one-eighth mile south of New Orleans Street (101st Street), one-third mile east of 9th Street (Lynn Lane Road), Tulsa County, State of Oklahoma, (Section 25, T18N, R14E)(Seven Oaks South)

Background:

The applicant, AAB Engineering, has submitted an application requesting the closure of approximately 0.03-acres of an existing right-of-way which is a portion of South 13th Place in the Seven Oaks South subdivision. This right-of-way was dedicated with the plat of the Seven Oaks South subdivision as a stub street to abutting vacant land. With the development of the property to the west, which is proposed to be the Village at Seven Oaks South, it has been determined that the existing stub street will not be necessary. The applicant proposed to close the right-of-way in order incorporate the property into the Village at Seven Oaks South development. If this closure is approved by City Council, the applicant will pursue vacating the right-of-way through district court.

AEP/PSO, Windstream, ONG, and COX Communications have no objections to this closure. Staff has reviewed the documents and recommends acceptance of the right-of-way closure.

Cost: \$0

Funding Source: None

Requested By: Larry R. Curtis, Acting Development Services Director

Approved By: City Manager Office

Attachments: Preview Ordinance
Exhibit A

Recommendation:

Preview the Ordinance and set for adoption.
