File #: 19-1069, **Version:** 1

Broken Arrow Municipal Authority
Meeting of: 10-1-2019

Title:

Award the most advantageous bid to Dickson Equipment Company for the purchase of three refuse packer bodies for the Sanitation Division of the General Services Department

Background:

The Sanitation Division of the General Services Department requested and sought bids for one replacement and two additional refuse trucks. Two of four back-up trucks have in excess of 158,000 miles and one in excess of 215,000 miles. The two additional trucks will improve truck availability for collection routes due to truck maintenance down time and long wait times at the Covanta Trash to Energy plant and the Landfill. These wait times effectively remove trucks from the route. All new trucks being purchased will be also be fully capable to collect refuse or recyclables utilizing carts. Delivery of the chassis, its associated packer body, shipment and packer installation is expected to be between six and nine months depending on manufacturer scheduling. Ordering these trucks will ensure a reliable fleet is available for next year's heavy summer period. Funds have been appropriated and are available in the Broken Arrow Municipal Authority (BAMA) Capital Outlay Fund in the amount of \$547,000.

Bids were solicited from eight refuse packer supplier dealers. Three suppliers submitted bids, with one, submitting three alternate bids. The lowest bid was meeting specifications was submitted by Dickson Equipment company for a New Way Cobra 20 yard refuse packer in the amount of \$73,208.00 each and is recommended for purchase. Additional options selected are reflected in the attached bid tabulation.

The total price for three refuse packers is \$219,624. The remaining funds will be used to purchase refuse cab and chassis, which were bid separately. Staff recommends that the Authority award the most advantageous bid to Dickson Equipment Company.

Cost: \$219,624.00
Funding Source: Broken Arrow Municipal Capital, Project 205108 and 205109
Requested By: Lee Zirk, General Services Director
Approved By: City Manager's Office
Attachments: Bid number 20.101 bid tabulation

Recommendation:

Award the most advantageous bid to Dickson Equipment Company for the purchase of three refuse packer bodies
