**Background:**

The City of Broken Arrow receives supplements to its Code of Ordinances based upon ordinances properly adopted by the City Council and published in accordance with state law. The supplements are also incorporated into the full Code which is made available at no charge to the public on the City's website or at a reasonable cost in the Office of the City Clerk.

The City received its first supplement to the Code in August 2015. Since that time, the City has received several supplements including one corrected set of ordinances which included ordinances that were previously omitted by Municipal Code Corporation. The latest supplement was received in August 2019. Resolution No. 1266 confirms that supplementation and publication of the City of Broken Arrow's Code of Ordinances.
