Request for Action

File #: 20-533, Version: 1

**Broken Arrow City Council
Meeting of: 05-19-2020**

Title:

Acknowledgment of City Manager waiving of building permit fees for the construction of the Broken Arrow Public Schools STEM Academy

Background:

The Manual of Fees compiles fees and cost for development, licenses and registration of various occupations and establishments, Utilities, Parks and Recreation Department facilities, Fire Department Fees, including charges for Emergency Medical Services and other miscellaneous charges. The Manual of Fee's grants the City Manager authority to waive any fee, or any portion of a fee, contained in the Manual of Fees if it determined by the City Manager to be in the best interest of the City and within the authority granted by the Broken Arrow Code of Ordinances.

The Broken Arrow Public Schools is in the process of building a Science, Technology, Engineering, and Mathematics (STEM) Academy near the intersection of Albany and 23rd street. This project will be a great asset to the schools and the city. To help the costs associated with the project, the City Manager asked staff to waive the building permit fees associated with the project, an estimated total of \$21,000.00. Water meters and inspections fees will still be collected.
